Dear Friend:

*For the preaching of the cross is to them that perish foolishness;
but unto us which are saved it is the power of God. I Corinthians 1:18*

It is a wonderful privilege for me to recommend to you Brother Jim Wright as a missionary serving under Baptist World Mission. God has wonderfully gifted and prepared Jim and Myra for missionary work as furlough replacements for missionaries on the field. Having served as a pastor, traveling extensively during these years, and having spent many trips on mission fields, Jim and Myra will do a wonderful job of ministering to the nationals while the missionaries are away on furlough.

Their love for the Lord, their integrity of life, and passionate service will be a blessing to you and your church. We highly recommend that you prayerfully consider having them come and present their ministry at your church, as well as prayerfully consider providing prayer and financial support for them.

If you have any questions concerning Jim and Myra and their ministry, please do not hesitate to give me a call.

May God's blessing rest upon you!

Serving Christ,

Robert J. Loggans

Pastor
